Greetings!

We would like to take this opportunity to thank our school community for your continued support of our learning program and initiatives. Attendance at our 3 way conferences was again excellent, showing your commitment to your child's education. Our Learn-A-Thon was another success and raised just over \$7000 for our school. We look forward to your continued support of the school through year as we work to enhance the learning opportunities for our children.

Spring has sprung and the birdies of badminton are beginning to fly. While Badminton season takes flight we will be wrapping up Sport Stacking and Junior Basketball with tournaments early in the month. Grade 8 Band will be performing at our school before their road trip and a number of school trips and class presentations are already booked. Our grade 8 classrooms will continue to prepare for the transition to high school with activities at Knoll and our new Kindergarten students for the fall will begin their transition with our open house.

A big thanks also goes to our SCC who have been busy putting the plans together for another yearbook, community dance and their fundraiser to pay for the wonderful things they do for our school. They make such a positive difference in both the learning and social environment in our school. We are so fortunate to have their support and commitment at Henry Janzen School.
