Greetings!

The late snowfall in April didn't feel much like Spring but in its wake we look forward to warmth, sunshine, badminton playoffs, softball, karaoke, and a flurry of outdoor trips taking advantage of the improved weather. Transition activities are taking place for our Grade 8's to get them ready for high school as well we will meet with our Kindergarten parents to prepare them for their child's first days at Janzen.

This month we will begin our year end Value Added Assessments in reading to assess growth over the year and to aid in planning for the fall. Parent Council will be holding their Annual General Meeting and elections, having more special lunch days and hosting our Community Spring Dance. In May, our Grade 8's will be off to Campus Regina for some hands on experiences, band students will be touring, and the JLT will be holding their spring dance. These are but a few of the many things happening this month as we look forward to another great month at Janzen.
